

# Help for your *pets*, too

Our pets provide a lot of love and affection. They also require a lot of attention and care. That's where your Employee Assistance Program can help. Our Work-Life Specialists can help with a wide range of pet-care needs.

Call your toll-free number anytime with questions on virtually any pet-related topic, including:

- Questions about pet ownership
- Recommendations on care and feeding
- Boarding in your area
- In-home pet-sitting services
- Doggie day care
- Dog walkers or groomers
- Pet insurance information
- Local veterinary services
- Coping with pet loss
- Community pet play groups
- Local dog parks and more

## Discounted Pet Insurance

In conjunction with Nationwide Insurance, your Employee Assistance Program offers a 5 percent discount on a base premium policy from America's No. 1 pet insurance provider.

To access your discounts, log on to [guidanceresources.com](https://www.guidanceresources.com), click on Browse All Services followed by the **Discounts** tile on the following page under Additional Services & Tools.
